Excellence Is Our Standard

Working with **SKANSKA** in building the University Medical Center, New Orleans, Louisiana

Skanska/MAPP was selected

March 18,
2011

for the \$1.2 Billion University Medical Center Project in New Orleans

The University Medical Center will be a new, state-of-the-art Medical Care Campus. It will be the cornerstone of a biomedical district that will attract the world's top medical professionals while delivering high quality health care, advanced research and Level One trauma care.

Like many responsible companies, Horus

HORUS

came to New Orleans in 2012 to participate in the ongoing rebuilding of our city, which had been devastated in 2005.

DID YOU
KNOW

HORUS

Horus' work on the UMC site started with a modest \$2,500 contract?

We've come a long way....
Over \$10 Million, and growing!

Horus is who we are. Work is what we do.

The massive old Charity Hospital was no longer in operation after Katrina.

HORUS

The new 34 Acre UMC project was in place to build a modern new facility.

The 34 acre site was in waiting to build the new hospital...

University Medical Center (UMC) Site

**The old Charity Hospital
(no longer in use since Katrina)**

34 Acre Site

Horus grew its workforce

HORUS

from the good people of New Orleans, like you,
who wanted and needed to work.

The old gave way for the new.

HORUS

Buildings were imploded.
Houses were moved, and torn down
for progress.

Then, the earth moved.

HORUS

April 18, 2011

... and the site was prepared.

HORUS

January, 2, 2012

... and Cranes appeared.

HORUS

July 30, 2012

Soon, our new hospital was taking shape!

HORUS

December 5, 2012

Wow... look at what we helped to build!

HORUS

June 30, 2013

Massive Teamwork Accomplishment.

HORUS

March 7, 2014

We are Horus.

HORUS

We do what it takes.

HORUS

We get the job done.

HORUS

Every single day...

HORUS

We go above, below, and beyond...

HORUS

In Wayne's world... he leads, we listen.

HORUS

We did this.

HORUS

Thank you, Horus Team!

Without you...
It wouldn't be
What it is.
